

## 2019 SENIOR CELEBRATION GIFT CARD FUNDRAISER

Dear Parents,

Just in time for the holidays, the Senior Celebration Committee is selling gift cards! These gift cards are the same ones you would get at a store or business, but you can buy them from the comfort of your home, and they support the Senior Celebration Event. As a tradition, each senior class enjoys a 24 hour, alcohol and substance free event coordinated by their parents.

How does purchasing these gift cards raise money? It's simple - participating retailers agree to sell their gift cards to the Senior Celebration Committee at a discount. Families then buy these gift cards at full face value, they redeem them for full face value, and the senior class keeps the discount as revenue. You can find the discount percentage on the order form next to each vendor's name. The percentages vary from vendor to vendor. **The higher the discount percentage, the higher the revenue for the senior class!!** This is exciting because everyone wins! You help us raise money without spending additional money!

Attached is the order form for this year's fundraiser. The order form lists the participating vendors and the value of the gift cards they offer. You are always able to purchase more than 1 gift card for the same vendor and here are no additional fees associated with your card purchases. Once filled out, please place your order form in an envelope with a check ( **payable to GHS Senior Celebration** ) and have your child place it in the drop box near the Main Office at their school. You can also drop them directly to 2 Stone Row Lane if you prefer. Unfortunately, credit card payments can not be accepted.

This year we will have two order dates: one in mid November to take advantage of Black Friday, Cyber Monday and early holiday shopping, and a second in December to complete your holiday checklist. Gift cards make great gifts! And, if you know you are buying gifts from certain stores, why not buy them with a gift card and help the senior class!

Keep in mind gift cards can also be purchased for groceries, gas, and any other items you use on a weekly basis. Please also consider purchasing gift cards to cover your routine expenses for a month or so. It would be a tremendous help!

Order deadlines and gift card pickup dates are as follows:

**Order by:**

**Gift card available for pickup**

Nov. 12th

Nov. 17th - 19th

Dec. 10th

Dec. 15th - 17th

You will be able to pick up your gift cards orders at Tracey Zadina's house, 2 Stone Row Lane, on the dates listed above. If these dates aren't convenient and you need delivery arranged, or if you have any questions, please contact Tracey Zadina at [traceyzadina@verizon.net](mailto:traceyzadina@verizon.net) or 978-807-7453.

Thank you in advance for participating in our holiday fundraiser and best wishes for a happy holiday season!!

The 2019 Senior Celebration Committee
