## **Penn Brook School Kindergarten| Frequently Asked Questions**

### ***How can my child get bus transportation?***

When you filled out the kindergarten registration packet, you were asked if you wanted to also sign up for bus transportation. If you answered yes, you were given a transportation form to fill out. That form was then sent to Tracy Parker at Central Office, who will work with the bus transportation company, NRT over the summer to design bus routes. If you did not fill out a transportation form and would like to, please **contact Dianne Collins or Jeannine Dion at Penn Brook, 978-352-5785 for information.**

### ***What important dates for kindergarten should I put on the calendar?***

#### **Wednesday, August 31-- Get Acquainted Day**

In small groups, students and parents will have a chance to see their classroom and meet with their teacher. The specific time will be sent out in the summer along with the name of your child's teacher.

#### **Thursday, September 1-- Kindergarten Screening (Brigance Early Childhood Screen)**

Your child's teacher will administer the developmental screening tool. This gives your teacher a snapshot of your child's development; it does not in any way determine whether your child can attend kindergarten. You will be notified of results after teachers have had a chance to review results.

#### **Tuesday, September 6-- First Day of Kindergarten!**

#### **Tuesday, September 13-- Parent Information Night (PIN) for Students in Kindergarten-Grade 2**

This is an opportunity for you to hear in detail about the kindergarten curricula and routines and information specific to your child's kindergarten class.

### ***What are the Kindergarten class sizes and are there assistants?***

The typical kindergarten class size ranges from 18- 20 students. We have four kindergarten assistants who rotate among the five classrooms.
