Back to school!

Welcome to the 2019/2020 school year! We are excited to introduce our new SEPAC leadership, and for the first time, every position available on the SEPAC board has been filled! We held elections in June and are happy to welcome Krissy Berg and Joanie Desilets as our new Co-Chairs, Jenn Harrell has been re-elected as Treasurer, Jessica Vasilenko is our new Secretary, and Carole DeLuca is our new Fundraising Chair. All are very excited and enthusiastic to make this a great year for Georgetown SEPAC!

SCHOLARSHIPS

Congratulations to the 18 graduating seniors from Georgetown High School that SEPAC awarded with scholarships! We are so proud of you and all your hard work! We wish you all the best in your future endeavors!!

THANK YOU

SEPAC would like to thank the Georgetown PTA for its generous sponsorship of two board members for the upcoming Massachusetts PTA 2019 Health Summit. This year, the theme of the conference is “Facing the Challenges of Mental Health Issues; Keeping Children, School, Families, and our Communities Healthy.” Through this event, SEPAC officers will have the opportunity to participate in trainings pertinent to many children requiring special education and collaborate with educators, parents and special education staff. We look forward to sharing more about it at upcoming general meetings!

Exciting News

Georgetown SEPAC is excited to announce that we will be sponsoring a Special Education student for a 6 week yoga class for children with diverse abilities at Buddahful Souls Yoga Studio in Rowley! Thanks to all who made this possible!!
