TRICK OR TRUNK

It is with sincere gratitude that we thank our sponsors, participants, and our community for all the support for our Trick or Trunk event! We couldn't have asked for a better day and a great time was had by all! Thank you all again for continuing to support Special Education in Georgetown.

CONGRATULATIONS

Georgetown SEPAC would like to thank Buddahful Souls Yoga Studio in Rowley for allowing us to sponsor a student from Georgetown in a 6 week children's yoga for diverse abilities course. Congratulations to the winner! Keep an eye out for our next giveaway!!

THANK YOU

Georgetown SEPAC would like to thank Georgetown PTA for their generous contribution to our schools. In October, the Georgetown PTA contributed 4500 Scholastic dollars to the Special Education department. Teachers, therapists, and specialists were able to purchase so many wonderful books, supplies, specialized seating, and sensory aids through Scholastic and they couldn't have been happier! We can't thank you enough for this generous offer and supporting Special Education in Georgetown!

BASIC RIGHTS

Thank you to Tracey Morgan of A Bright Idea Advocates and the Federation for Children with Special Needs for your presentation on Basic Rights: Evaluation and Eligibility. Please reach out if you would like a copy of the handouts from that evening's presentation.
