

STEAM WEEK @ Penn Brook

May 4-6, 2021

3:30 – 5:30PM Daily

GRADES K – 6

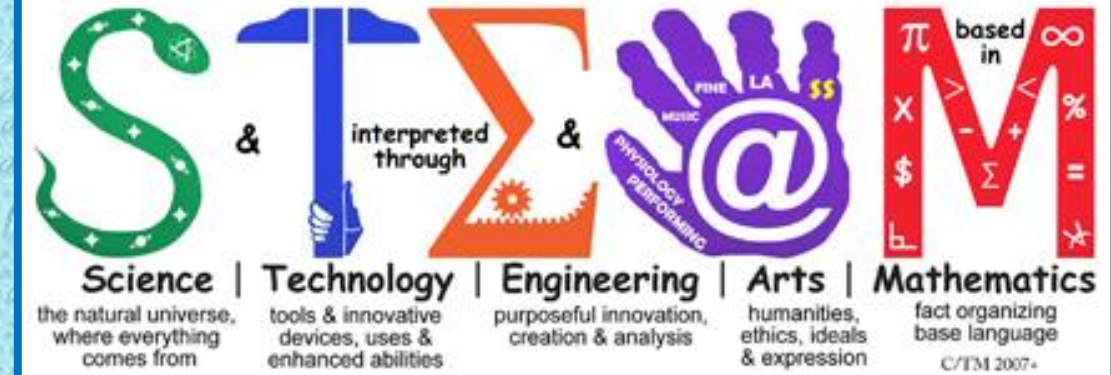

Outside @ Penn Brook

GYCC is partnering with Georgetown PTA and the schools to bring you one of our favorite programs – that, well, we've missed!

Students will have a blast experimenting with science and gaming with math. This hands on in person experience will be limited in numbers due to COVID precautions.

Some of Georgetown's finest minds will be leading the science and math stations.

Maximum of 40 students per day.
Curriculum will be unique each day.
